Terms and Conditions

Minimum Hours

- 24 hours a day
- Hours worked over and above minimum hours will be charged pro-rata.
- Standing Time – 100%
- Inclement Weather – 50%

Orders

- Rates based on availability of, not usage of machine; i.e. hour meter hours not applicable
- Establishment and De-establishment will be charged on the first invoice
- The item will not be delivered unless the quotation, Credit Application and terms and conditions have been completed, signed and returned to us.
- Should you not have an account with the Company, a prepaid account will be opened; i.e. Payment must be done in advance in order for work to commence.
- We require an official order, together with the signed copy of quotation prior to commencement of work.
- The hirer is to allocate a supervisor to supervise and advise the operator on the conditions of the area of work.

Operators

- An operator will be provided by the Company. The accompaniment of an operator will not affect the rate of hire.
- The operator whilst on site shall be under the sole supervision of the Hirer and shall be under their guidance and instruction. The Hirer shall not permit any person to operate the plant other than the allocated company operator.
